DECLARATION (2022-26 batch)

USN No: _____

To ensure access to placement and career guidance throughout your remaining time at BNMIT, adherence to the following guidelines is mandatory.

I, _____, a student of semester _____, branch _____, acknowledge and agree to:

- Register for the 2025-26 placement process to be eligible for placement assistance.
- Attend all mandatory training programs, both online and in-person, conducted by the Training & Placement Department.
- Maintain punctuality for all training sessions and company recruitment events.
- Be prepared for online selection processes and ensure necessary technical arrangements.
- Adhere to the formal dress code for all selection processes.
- Attend all campus drives for which I register.
- Understand that failure to attend a registered selection process may result in removal from placement assistance.
- Maintain professional conduct during all interactions with company representatives, including PPTs, tests, group discussions, and interviews, and understand that violations will result in disciplinary action.
- Inform the Training & Placement Department of any offer withdrawal, acknowledging that the offer will be counted as accepted.
- Bring all required documentation, including resumes, ID, mark sheets, and photographs, to selection processes.
- Ensure the accuracy of all information provided in my resume.
- Use email for all placement-related communication.
- Check emails regularly and understand that delayed responses may result in action by the Training & Placement Department.
- Refrain from misconduct during selection processes, as it will result in strict action.
- Communicate solely through the Training & Placement Department for all company-related matters.
- Address all training and placement inquiries to the Training & Placement Department, while also informing my department.
- Confirm that I and my parents have read and understood the Training & Placement Policy and Declaration 2025-26.

Note: Students are required to note that the Training & Placement Services is an additional facility offered by the Institution and cannot be construed as a guarantee of a job offer. The decision regarding making job offers is left to the discretion of the companies participating in the Campus Recruitment. At the end of academic year, if any students are not placed, T & P Department will extend support to such students. The terms in this policy will be reviewed from time to time and may be modified by T & P Department as per the situation demands.
